

CH SHARIF AND SAEED HOSPITAL

Admin Portal - v7.2

Same normal hospital-management scope as Super Admin, excluding any action that alters protected Super Admin accounts.

FINAL SOURCE OF TRUTH - VERSION 7.2

Admission begins at Front Desk. Department bills remain separate. Central collections are allocated department-wise. Doctor discharge re-authentication, outsourced department settlement, Panel receivables, high-cost medicine approval, doctor-sponsored discount and doctor tax rules are included.

Supersedes v7.1 for all revised admission, billing, department settlement, doctor finance and panel-flow rules.

Portal Purpose

Same normal hospital-management scope as Super Admin, excluding any action that alters protected Super Admin accounts.

Recommended Navigation

Section	Pages / Modules
Management	Same operational/master modules as Super Admin
Department Finance	Outsourced Provider Master, Department Payables, Provider Settlements
Workforce	Staff/Doctors, Shifts, Attendance, Salary and Commission configuration
Billing Oversight	Collections, discounts, patient allocations, panel receivables, outstanding
Operations	Admission, Pharmacy integration, High-Cost Medicine authorization where policy permits
Reports	Hospital, department, panel, staff, tax, commission and settlement reports

Department settlement review

Department settlement review

1	Open provider/department ledger
2	Select unsettled realized amount
3	Choose Full or Partial Settlement
4	Enter payment method/reference
5	Capture provider representative acknowledgement
6	Post settlement and print voucher

Main Forms / Fields

Form	Key fields
Settlement	Department/provider, period, realized amount, already settled, settlement amount, payment method, reference, received by representative, remarks
Doctor Tax	Salary tax and Commission tax settings with separate effective dates and history

Portal-Specific Rules

- Admin cannot create, edit, suspend, delete or reset protected Super Admin access.
- Admin may manage outsourced department/provider configuration and settlement if authorized by role rules.
- All settlement and doctor-tax changes store the actual logged-in user.
