

CH SHARIF AND SAEED HOSPITAL

Front Desk / Billing Portal - v7.2

Central patient intake, admission creation, patient money collection, interim/final statements, department allocation and billing closure.

FINAL SOURCE OF TRUTH - VERSION 7.2

Admission begins at Front Desk. Department bills remain separate. Central collections are allocated department-wise. Doctor discharge re-authentication, outsourced department settlement, Panel receivables, high-cost medicine approval, doctor-sponsored discount and doctor tax rules are included.

Supersedes v7.1 for all revised admission, billing, department settlement, doctor finance and panel-flow rules.

Portal Purpose

Central patient intake, admission creation, patient money collection, interim/final statements, department allocation and billing closure.

Recommended Navigation

7	Print final department invoices and consolidated statement

Main Forms / Fields

Form	Key fields
New Admission	Patient type, Panel Patient/member details if applicable, doctor, admitting department, expected/actual date, bed preference, fulfillment modes, advance amount/method, notes
Payment Allocation	Payment amount, department invoice rows, allocation amount per row, unallocated balance must be zero before posting
Running Statement	Department subtotals, discounts/contract pricing, patient share, panel receivable, advance, paid, outstanding

Portal-Specific Rules

- Front Desk is the HMS patient-cash collection point.
- Advance is patient credit until allocated to actual invoices.
- Hospital-funded discount posts only to Hospital Services unless another explicit owner-funded policy exists.
- Doctor-sponsored discount is not treated as a general hospital discount; it links to doctor commission deduction.
