

CH SHARIF AND SAEED HOSPITAL

Admission Portal - v7.2

Inpatient operational portal. Receives Front Desk-created admission file, manages stay/services, department requests, high-cost medicine checks and doctor-authorized discharge. No Hospital cash collection.

FINAL SOURCE OF TRUTH - VERSION 7.2

Admission begins at Front Desk. Department bills remain separate. Central collections are allocated department-wise. Doctor discharge re-authentication, outsourced department settlement, Panel receivables, high-cost medicine approval, doctor-sponsored discount and doctor tax rules are included.

Supersedes v7.1 for all revised admission, billing, department settlement, doctor finance and panel-flow rules.

Portal Purpose

Inpatient operational portal. Receives Front Desk-created admission file, manages stay/services, department requests, high-cost medicine checks and doctor-authorized discharge. No Hospital cash collection.

Recommended Navigation

Section	Pages / Modules
Overview	Dashboard, Active Admissions, Bed Board
Stay Management	Hospital Services/Procedures, Department Requests, Fulfillment Modes, Pharmacy Requests, Running Charges
Financial Visibility	Running Bill / Interim Statement view, payment status view - no Receive Cash
