

CH SHARIF AND SAEED HOSPITAL

Standalone Pharmacy Master & HMS Integration - v7.2

Separate Pharmacy project that owns medicine master, batches, expiry, dispensing, Pharmacy invoice and Pharmacy cash/settlement while exchanging request/status information with HMS.

FINAL SOURCE OF TRUTH - VERSION 7.2

Admission begins at Front Desk. Department bills remain separate. Central collections are allocated department-wise. Doctor discharge re-authentication, outsourced department settlement, Panel receivables, high-cost medicine approval, doctor-sponsored discount and doctor tax rules are included.

Supersedes v7.1 for all revised admission, billing, department settlement, doctor finance and panel-flow rules.

Portal Purpose

Separate Pharmacy project that owns medicine master, batches, expiry, dispensing, Pharmacy invoice and Pharmacy cash/settlement while exchanging request/status information with HMS.

Recommended Navigation

Section	Pages / Modules
Projects	Separate Pharmacy Super Admin, Manager and Sales/Dispensing portals
HMS Integration	Admission Medicine Request, High-Cost Authorization Status, Dispense, Pharmacy Invoice, Payment/Allocation Status, Clearance
Finance	Pharmacy invoice remains separate department bill within consolidated patient statement/central collection allocation

Hospital-managed inpatient medicine

Hospital-managed inpatient medicine

1	Admission creates medicine request
2	If line exceeds high-cost threshold, HMS authorization must complete first
3	Pharmacy accepts/partial/rejects
4	FEFO/batch selection
5	Dispense actual qty/rate
6	Create Pharmacy invoice
7	HMS Front Desk may collect and allocate patient payment to Pharmacy invoice
8	Pharmacy/department ledger reflects realized collection for later settlement/reconciliation

Main Forms / Fields

Form	Key fields
Integration Reference	Admission ID, Medicine Request ID, patient/case ref, authorization status, dispense ref, Pharmacy invoice ref
High-Cost Check	Authorized/Rejected/Pending status received from HMS; Pharmacy must not bypass pending authorization

Portal-Specific Rules

- Pharmacy remains source of truth for medicines/batches/expiry.
- One dispense must not create duplicate charges.
- Pharmacy invoice ownership remains Pharmacy even when Front Desk centrally collects patient money.
